Marker I: Greatest Stock Market Crashes in History

The biggest day ever in history of the stock market crash was on **September 29, 2008** in the United States, and dropped to -777.68 points as the largest point fall in any single day in history. The drop obliterated \$1.2 trillion in market value. Financial crisis is a definite marker for the coming 3 Paul's Shipwrecks judgments, such as the judgments against California and New York City, for there will be a large scale of infrastructure destruction that will be the cause of financial crisis again.

Rounding up 777.68 was 7777 divine sign of a net change. This is very significant to consider that September 29, 2008 is exactly echoing to September 29, 2016 as many signs and evidences are pointing to this very date as the possible First Call transformation. The number 7777 is a Sabbatical number directly linked to the transformation of the Bride of Christ and the soon coming Rapture.

Another 7777 sign of a transformation code 67 once again appeared in 2008.

Adding the Jewish year $5768 + 2008 = 7776$ and $5769 + 2008 = 7777$ creates the perfectly perfect **transformation code of 7776-7777** exactly on the same day the market crashed on September 29, 2008 during the perfect day of Rosh Hashanah.

September 29, 2008 was Elul 29 and September 30 was Tishri 1 during the time of Rosh Hashanah from September 29 to October 1, 2008. The year 2008 is very significant, and it is pointing to November as the month of 7777, because on the clock the year 2008 is pointing to 8:00 at November direction, confirming the month of November, 2016 would be the month of Rapture very possibly. Since 2016 itself is

also 7777 from July/ Tammuz at 16:00 = 2016 as 4 of 7. From the year of 2008 was the 7 days of warning from God before the worldwide flood. Deducting as 2015 – 7 = 2008, so this is saying that the year 2015 must be connected with 2016 as the deadline of the warning before worldwide judgment comes.

Exactly on the date of September 29-30, 2008 as September 29-30, 2016 confirmation was the transition code 7776-7777 on the exact date of Rosh Hashanah; the festival that TRANSIT from an old year to a new year. Rosh Hashanah is about the creation of Adam and Eve; we see the Bride and Bridegroom Jesus in the picture. We are now back to the fall where Adam and Eve started will repeat history itself. On that very day the number 29 happened TWICE as 29029; the elevation of Mount Everest representing the rising of the Bride of Christ.

The Jewish date Elul 29 echoes to October 2, 2016 as well. This is proving that October 2, 2016 will very possibly be a date that the 6th seal to happen. Genesis 7:2-4, 10 hidden 7777 Pentecostal number already *solidly* backs up this date as being extremely significant. It is by no chance that 10, 2-4 would accidentally mimics October 2-4, 2016 Rosh Hashanah, along with the calculation results were too perfect to be without any meaning. Psalm 23:4 and/or 234 come up when doing the clockwork degrees' calculation based on the crucifixion pattern. The merged clock appears to have 3 crosses in total resembling the 3 crosses decoded as 777.

The central cross is in degrees of $270 + 90 + 360 + 180 = 900$. The left cross is in degrees of $300 + 120 + 30 + 210 = 660$. The right cross is in degrees of $330 + 60 + 150 + 240 = 780$. The result is $660 + 900 + 780 = 2340$, where 0 is counted as void.

This is referring to October 2, 2016 as the possible date of 777; the day of Christ's death representing the transformation of the bride, however the bride transform on the FIRST day of the 6 days of darkness making it as September 29-30, 2016, because according to Euler's number, the letter E triggers the first set of 1828, which is the number of transformation of Psalm 18:28. The letter E is decoded as a major earthquake, whereas the 3 Paul's Shipwrecks will have 3 earthquake related events. This is also saying that the FIRST major earthquake will proceed the transformation of the bride through the letter E, which is the California's earthquake, confirming the correct sequence of Psalm 103:12 reading backwards with the colon = pause, whereas the *pause* is the bride will be transformed from West of her darkness; corruptible body into BEFORE the East comes as the light and incorruptible body. This is saying that *at the time* when the East coast will be hit, the bride will already be transformed into the LIGHT OF CHRIST and an INCORRUPTIBLE BODY.

Psalm 103:12

As far as the east is from the west, so far hath he removed our transgressions from us.

October 2, 2016 is also confirmed as the pregnancy date that result the number 276. This could be saying that the conception of the wheat brides will possibly be starting here, and not October 6, 2016. Counting from the new year January 1, 2016 to October 2, 2016 is 276 days. Comet Ison landed on Scorpio constellation reflects Revelation 9 = Revelation 6's sixth seal. Comet Ison was a conception with the sun as an analogy to the mother's egg and sperm from the comet's tail. This is confirmed

that October 2, 2016 to November 11, 2016 will be 40 days in total. This is NOT saying that November 11, 2016 as the rapture, but it is a MARKER for 1111 = 7777. This is saying that November is the month of the Rapture very possibly.

The target boundary would be late November as mentioned before, because for instance 2015's Pentecosts were late boundaries, 2016's Passovers were late boundaries, 2016's Purim were late boundaries, 2015's Yom Kippur was a late boundary, and 2016's Hanukkah will be a late boundary.

The other financial crisis was back in September 17, 2001, counting from September 11, 2001 terrorist attack was 6-7th day as another transformation code. This was Elul 29 on the day of Rosh Hashanah again, this date will possibly be a 911 date in the future. Elul 29 is connected with October 2, 2016 and September 29, 2016 together. Counting the 7 days of warning could be in 2 different ways, firstly is to add 7 days to without including September 11, secondly is to including September 11 forward 7 days. Going back 7 days from September 11 would be September 5 confirming the third 911 attack; the third Paul's shipwrecks possibly on October 5-6, 2016. Both September and October are identical, because both are Rosh Hashanah months.

1	2	3	4	5	6	7
9/11	9/12	9/13	9/14	9/15	9/16	9/17
9/12	9/13	9/14	9/15	9/16	9/17	

Elul 23 was on September 11, 2001. Elul 23 = June 23 = September 23. During the time of Rosh Hashanah in 2001 was from September 17-19 of the transition year

from 5761 to 5762. The numbers 176 and 276 seems to stand out. We know that the number 276 is a pregnancy number, but if we see 276 as 216 for $7 = 1$, it resembles 2016 where 0 is counted as void as 216. The number 176 is linked to the year 2016, for $16 \times 11 = 176$ as confirmed by $2016 \times 11 = 22176$ repeating 176. The number 11 is representing November. Seeing 22176 as 122 and 76 in relation to 2016's November would confirm November as the month as the beginning of the end, and the time of fall of men represented by 76 as the number from perfect to a fallen state.

The number 17631 also came out after adding the numbers each row from the dual alphabetical system, for instance, $126 + 225 + 324 + 423 + 522 \dots$ etc. This is once again connected with November as the beginning of the end, because firstly the number 176 is associated with 2016 and 11, secondly the calculation from 126...261 actually is from A-Z, and thirdly $15 + 16 = 31$ confirms November is associated with 2015 and 2016 together, for 2015 without another disconnects the transformation code 67. Thus, 2016 is the deadline that connects 2015 through 5776. Even with $15 \times 16 = 240$ is a Pentecostal number, for the Pentecostal country of America is 240 years old in 2016 that connects November at 240 degrees.

Counting from May 24, 2015 first Pentecost forward 122 days landed on September 23, 2015. September 11, 2001 was on Elul 23. Nepal's major earthquakes in 2015 was Lyar 6 and Lyar 23. This is confirming the number 926 from Pi, which September 26, 2016 will be Elul 23. This mimics August 26, 2016's Av 22 that as explained before extend Elul 23 = September 23 first day source to 8 days through Hanukkah's method, making September 29 and October 2 directly linked to Av 22.

Back to the year of 2008 was the number 28, which is associated with 7777 because $4 \times 7 = 28$ proving 2008 was a Pentecostal marker. There was the most devastating stock market crash in the history of the United States, once again on the 29th of the month! It was on October 29, 1929. The year 1929 to be read as 1, 929 resembles the First Call on September 29, 2016. Also, October can be seen as reversed as September in 2016, and both of these months are Jewish New Year months.

Marker II: Shemittah Year, The Menorah & Code 89

The Shemittah year runs from September 25, 2014 to September 13, 2015. It is the Sabbatical year that refers to the time of *release* as the name literally means. This is pointing to 2015 as the year of release of the Bride. The Jews count the 7 years' cycles as they settled in the holy land, and every cycle would culminate in a Sabbatical year. The 7th year is a Sabbath to The Lord according to Leviticus 25:3-6. 2016 still connects with 2015 as both were equalized through the identical 5776.

The menorah for Hanukkah is a confirmation for the 7 years of tribulation from 2012 to 2020, which also points 2016 as the year of the Rapture being the 9th Shamash candle at the center. This candle is the *original source* that spread the candle light to other candles during the festival of lights, meaning 2016 is the festival of light itself. The year 2016 is in between 4, 5 resembling Psalm 45:

Psalm 45 – Relating to The Marriage Supper of the Lamb

45 My heart is inditing a good matter: I speak of the things which I have made touching the king: my tongue is the pen of a ready writer.

² Thou art fairer than the children of men: grace is poured into thy lips: therefore God hath blessed thee for ever.

³ Gird thy sword upon thy thigh, O most mighty, with thy glory and thy majesty.

⁴ And in thy majesty ride prosperously because of truth and meekness and righteousness; and thy right hand shall teach thee terrible things.

⁵Thine arrows are sharp in the heart of the king's enemies; whereby the people fall under thee.

⁶Thy throne, O God, is for ever and ever: the sceptre of thy kingdom is a right sceptre.

⁷Thou lovest righteousness, and hatest wickedness: therefore God, thy God, hath anointed thee with the oil of gladness above thy fellows.

⁸All thy garments smell of myrrh, and aloes, and cassia, out of the ivory palaces, whereby they have made thee glad.

⁹Kings' daughters were among thy honourable women: upon thy right hand did stand the queen in gold of Ophir.

¹⁰Hearken, O daughter, and consider, and incline thine ear; forget also thine own people, and thy father's house;

¹¹So shall the king greatly desire thy beauty: for he is thy Lord; and worship thou him.

¹²And the daughter of Tyre shall be there with a gift; even the rich among the people shall intreat thy favour.

¹³The king's daughter is all glorious within: her clothing is of wrought gold.

¹⁴She shall be brought unto the king in raiment of needlework: the virgins her companions that follow her shall be brought unto thee.

¹⁵ With gladness and rejoicing shall they be brought: they shall enter into the king's palace.

¹⁶ Instead of thy fathers shall be thy children, whom thou mayest make princes in all the earth.

¹⁷ I will make thy name to be remembered in all generations: therefore shall the people praise thee for ever and ever.

Note: the numbering are the 9 candles of the Menorah

12		13		14		15		16		17		18		19		20
	1		2		3		4		5		6		7		8	

Note: the numbering are the 7 years of tribulation

This is creating code 89 through 9 candles of 8 years between 2012 to 2020. This 7 years of tribulation timeline is confirmed by the ides of March with the results of 8-9 and 21-22 from counting 7 days backward and forward. This is saying code 89 is the number representing the end of the end, because Revelation 22:21 will be the last verse of the bible. Exodus 20:15 and 20:16 is 2015-2016 connection as the 8th and 9th commandment pointing these two years merged are the END OF THE END.

Revelation 22:21

²¹ The **grace** of our Lord Jesus Christ be with you all. Amen.

The number 144 comes out from adding the 7 years of tribulation and also confirmed with the 9th Shamash candle with 2016. $12 + 13 + 14 + 15 \dots 20 = 144$, and $9 \times 16 = 144$. The number 144 relates to the 144,000 sealed elect.

Revelation 7:4 – 4 of 7 as 74 is 7777 confirms Sabbatical completion

And I heard the number of the sealed, 144,000, sealed from every tribe of the sons of Israel:

This is pointing to 2016 and 2020 as Sabbatical completion through 7777.

Revelation 6:12

¹² And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

Revelation 8:1

8 And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

The code 67 is connected with Revelation 6 and 8 that points to 6:00 and 8:00 on the clock, which is Elul to Cheshvan = September to November, meaning the 6th seal will possibly be from September to October, and November as the 7th seal Rapture. There is no Revelation 7 pointing to any of the seals, meaning Revelation 6 continues until Revelation 8 comes with the 7th seal, setting apart for November specifically.

Marker III: Significance of The Number 11

The 911 anniversary ceremony with the two light beams at night reaches as high as the sky resembles Genesis 11:4 when the people wanted to reach to heaven by building the highest tower on the earth. This ceremony is very much alike.

The number 11 is a PARALLEL, and it is the meaning of the glorified body that the church will possess that follows the same incorruptible pattern of Christ and to His likeness of sinless perfection. Therefore, the number 11 from 9-11 attack was hidden in plain sight. By Enoch's calendar for 2016, Kislev as the ninth month of the Jewish calendar = September equally, falls in November that make up 911.

There were 12 *disciples* during the earthly days of Jesus, but 1 of them was betraying Him named Judas Iscariot. This is saying that there were 11 genuine disciples, and 1 of them was fake. This is again confirming the using of Hanukkah during November, and positioning November as the month of Rapture. There was a reason why Jesus chose a disciple that betrayed Him even though He knew it. The 11 "disciples" is a word synonymous with the word "follower", symbolizing the followers of Christ are linked to the number 11; the Rapture of the church.

During the last 6 hours of the cross, which is a rainbow actually from 9am to 3pm, at the time of 11am was extremely crucial. Jesus told the repentant thief that he will be with Him in paradise at the day of their death. The thief was against the 8th commandment, once again it is confirming the use of August in November confirming Exodus 20:8-11. 11am on the clock points to Shevat = November.

Luke 23:43

And Jesus said unto him, Verily I say unto thee, **To day shalt thou be with me in paradise.**

Also, the 11th hour was seen as the late workers of the field. The number 11 is confirmed as the number of the end of the end, for $1 + 2 + 3 + 4 \dots 11 = 66$. There are 66 books in the bible. This is referring to the wheat brides, even though they are late comers to Christ as they have missed the First Call, however they are still the bride of Christ identical to the barley brides; the church that will see Christ in all His glory before the rest of His church. The number 12-21 is the fall number from Genesis 3 and 9-11 attack order of the crashes and collapses.

Matthew 20:9, 12, 16 – mentioning of code 12-21 in verse 16

⁹ And when they came that were hired about the **eleventh hour**, they received every man a penny.

¹² Saying, These last have wrought but one hour, and thou hast made them **equal unto us**, which have borne the burden and heat of the day.

¹⁶ So the last shall be first, and the first last: for many be called, but few chosen.

The number 911 = 711 for September is often the beginning of months; the month of Tishri. In John 21 was about the 153 great fishes, and there were 7 people according to John 21:2. In the previous chapter, Thomas who was one of the twelve disciples called Didymus was not with them when Jesus came in Matthew 20:24. Matthew 20 is a chapter about our risen King Jesus' transformed abilities.

Decoding November results 94 and 122 as the month as the beginning of the end. This was done by a forward and backward method of adding through the dual alphabetical system. $14 + 15 + 22 + 5 + 13 + 2 + 5 + 18 = 94$ as NOVEMBER. $13 + 12 + 5 + 22 + 14 + 25 + 22 + 9 = 122$ as NOVEMBER backwards. $94 + 122 = 216$ confirms 2016. September to November are truly the months to remember!

Marker IV: The Six Days War & Labor Day

The 6 days of Israeli war was from June 5, 1967 to June 10, 1967. Here we see the number 67 transformation code at the end of 1967. The dates of interest in particular are from June 6 to June 7 or June 7, which is the transformation code 66-67 or 6-7.

The 6 days of war resembles the 6 days' pattern through the 6 days of darkness that will be coming. The second to the third day was June 6 to June 7. Israel won the victory against the neighboring states of Egypt, Jordan and Syria.

9/29		9/30		10/1		10/2		10/3		10/4		10/5
	6/5		6/6		6/7		6/8		6/9		6/10	

Note: merging the 6 days of war with 6 days of darkness

9/30		10/1		10/2		10/3		10/4		10/5		10/6
	6/5		6/6		6/7		6/8		6/9		6/10	

Note: merging the 6 days of war with 6 days of darkness

The 6 days of darkness aka the 3 Paul's Shipwrecks during that time will be like unto a 6 days of war to Israel, because Israel will be judged thrice. It ended on Sivan 2, which was omer count on day 46 and 47 as 6666-7777 transformation code, confirming the start of the barley brides' ministry on October 5-6. Below are many 6.

- September 29-30 -> June 6: 66 the end of the end begins
- October 2-3 -> June 7: 67 transition from fallen earth to perfect heaven
- October 5-6 -> June 9: 69 bride of Christ will be protected in her ministry

In order to apply June 5-6 to September 29-30 forward, there must be some reference to connect them together. Labor Day extends the normal weekend to a three-day weekend, where many use the holiday to relax, spend time with family/friends, and have recreational activities. This is similar to the meaning of Sabbath as a day of rest from labor. Labor Day in America was September 5, 2016 and September 7, 2015. September 5 = June 5 backward a quadrant, and September 7 = June 7 backward a quadrant. June 5 and 7 are the dates of the Six Day War.

Exodus 34:21

Six days you shall labor, but on the seventh day you shall rest; even during the plowing season and harvest you must rest.

Exodus 6:9

Moses reported this to the Israelites, but they did not listen to him because of their discouragement and harsh labor.

Just like the Israelites representing the children of God will be set free from their labor of this world. Therefore, Labor Day in America is a marker, and the reason to use America for it is a Pentecostal country relating to the number 7777.

Based on Enoch's calendar, September 5, 2016 was Elul 22 and September 7, 2016 was on Elul 24. Elul 22 = June 22 = September 22 = December 22. Remember Av 22 was extended to September 29-30 as well, and due to the misalignment of the calendars Av 22 = Elul 22. Thus, Labor Day of September 5, 2016 = June 5, 1967 can be applied to September 29-30, 2016 forward until June 10, 1967.

The combatants of the Six-Day War were Egypt, Syria, Jordan and Iraq against Israel. They wanted to wipe Israel off the map, there were threatening statements from Arab leaders including President Abdur Rahman Aref of Iraq said “The existence of Israel is an error which must be rectified. This is our opportunity to wipe out the ignominy which has been with us since 1948. Our goal is clear – to wipe out Israel off the map.” Those who attack Israel will be destroyed by God.

Arab casualties were far heavier than Israel; only less than a thousand Israelis were killed compared to over 20,000 from the Arab forces. The battle plan of Israel's military success was well-executed than the leadership of the Arab forces.

War involves a great number of casualties, bloodshed and loss of lives. This could be compared to the coming 6 days of darkness of major earthquakes and judgments from God. In Genesis 1, it was some sort of 6 days of darkness with the mention of “evening” for 6 times, which is the darkness in verse 5, 8, 13, 19, 23, 31.

Egypt represents the world, and Israel's dome of the rock/ temple mount would probably be attacked because it is all about “buildings”. The 911 attack was the collapse of the twin “towers”, and Av 9 is associated with the destruction of the first and second “temples” in Israel. This could be saying after the judgment from God upon the 2 high places of America, there could probably be attacks from another country against Israel during the time of the 6 days of darkness.

We know the judgments will be upon America's two high places in the form of major earthquakes especially, however, what about Israel's form of judgment? Is it going to

be a major earthquake, or a different way of judgment? Will it be nuclear attack and war from another country a little bit like the Six-Days War?

Iran has been preaching death to Israel for quite a while, and developed nukes to destroy Israel. The hatred for Israel is very long standing; it goes back to when Israel entered into the promised land and destroyed their enemies with the strength of The Lord. The Lord will destroy the enemies of Israel before His return. There could possibly be multiple nukes including the dome. If Iran will launch from Syria, a nuclear attack will cause Israel to react. There is something in the Israeli military called the Sampson option, meaning they will discharge any number of nukes if attacked, and no more annotations for them like World War II.

Zechariah 14:2, 12, 16 – Nuclear attack

For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city.

And this shall be the plague wherewith the Lord will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.

And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the Lord of hosts, and to keep the feast of tabernacles.

Psalm 83:4

They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance.

There is an enmity between the president of America; Obama and the president of Israel; Benjamin Netanyahu. America could strike Israel that start the Psalm 83 war. Israel always wins even though all turn their backs on her. So now we see there are some different ways that Israel might be attacked, but definitely will be judged.

The ceasefire was signed on June 11, 1967. This resembles September 11. There was a Paris peace agreement that was signed internationally on April 22, 2016. This was the Passover date. In 1 Thessalonians 5:3 mentioning of "sudden destruction" is referring to the Great Tribulation. Just like the Six-Days War that led to a ceasefire peace agreement, so perhaps another war is coming that will lead to a peace contract that will proceed the Great Tribulation very soon after that?

1 Thessalonians 5:3

For when they shall say, **Peace and safety**; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

Late November is using April 22-30 Passover boundary, for our salvation is through the blood of Jesus; our Passover Lamb. September 11 is also referring to September to November, so possibly there will be a peace agreement within these months?

The Passover was about the Red Sea, and interestingly the sea is like a stick again just like Israel! As a pointer of the clock points to 5:00 = 8:00/ November direction.

The Holocaust that was a genocide of Jews can be compared to the 7 years of tribulation, since the fifth seal has begun with ISIS murdering Christians worldwide, and when the Great Tribulation comes ALL those who profess themselves as followers and believers of Christ shall be severely persecuted, physically, mentally abused and finally be beheaded for their faith in Christ Jesus. This will be a Christian genocide compared to the genocide of Jews who represent the children of God. There were concentration camps during the Holocaust, just like FEMA camps in the future. It happened from 1941-1945 of 5 years just as 2016-2020 would be 5 years.

Note: left side in black column is 1:00-12:00. 24 in top left corner is 2024.

From 1941-1945 points to 2013-2017 at the same direction. 2016 is obtaining the comet Ison pattern back in 2013. So 2013-2017 = 2016-2020 EXACTLY 5 years in

total and hit on spot with 2013 = 2016 Rapture year, confirming the 3.5 years of great tribulation from 2016-2020. So possibly the reason to connect 2017 with 2020 is because it is the year 5777 for it sounds better than 5780. 2017 connects with 2018 through 5778 overlapping in both years to obtain 70th mark from 1948. Also, the year of 2017 starts with 1/1/17 = 7/7/77 meaning of a Sabbatical completion.

Marker V: The 13th Month, Last Supper & Psalm 23

The Jewish calendar for 2016 is a leap year adding Adar II as the 13th month. The number 13 is a significant number, because it is the number of the fall 1/3, pi as 13 by code MN and 3.1 backwards. Reading backwards as 31 is the maximum length of days in a month. The *end* dates of the calendar months are in the range from 29th to 31st. This is proving that September 29-30 are being as the END dates.

Note: counting the 13th month and J4's footprints

The 13th month counting the first month from Rosh Hashanah interestingly ranges from September to November in 2016, and we see the 911 pattern again. J3 is without first new moon delay with Adar II, and J4 is with first new moon delay with Adar II. This is confirming the significance of September to November in relation to the judgments of God to the world. The number 13 and 11 are associated in the last supper of Jesus and His disciples, including Judas Iscariot the betrayer.

Last Supper	All Disciples	True Disciples	Total
Jesus	/	/	1
Simon Peter	1	1	2
Andrew	2	2	3
James	3	3	4
John	4	4	5
Philip	5	5	6
Bartholomew	6	6	7
Matthew	7	7	8
Thomas	8	8	9
Simon	9	9	10
Thaddaeus	10	10	11
James	11	11	12
Judas	12	/	13

This is showing that the true disciples were only 11 of them, and altogether would be 13 in total including Jesus. This is once again confirming November with the 13th month is associated with the fall, just as 1/3 of angels fell from heaven.

Judas was sitting next to Jesus in the honored guest position possibly by his own choosing during the last supper was showing his own vanity, and he betrayed Jesus with a kiss. A kiss is an intimate act, and Judas was symbolizing the devil Satan who was closest to God in heaven before his pride and fall. Revelation 8 that points to 8:00 Cheshvan/ November speaks of a great amount of 1/3 of a judgment.

Revelation 8:7-12

⁷ The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the **third** part of trees was burnt up, and all green grass was burnt up.

⁸ And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the **third** part of the sea became blood;

⁹ And the **third** part of the creatures which were in the sea, and had life, died; and the **third** part of the ships were destroyed.

¹⁰ And the **third** angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the **third** part of the rivers, and upon the fountains of waters;

¹¹ And the name of the star is called Wormwood: and the **third** part of the waters became wormwood; and many men died of the waters, because they were made bitter.

¹² And the fourth angel sounded, and the **third** part of the sun was smitten, and the **third** part of the moon, and the **third** part of the stars; so as the **third** part of them was darkened, and the day shone not for a **third** part of it, and the night likewise.

Only Revelation 8 pointing to 8 o'clock Cheshvan/ November mentions the **MOST** 1/3; the fall number in the whole book of Revelation! In regards of counting sevens,

the number 29 in the book of Genesis really stands out in relation to the number 7.
Genesis 29 mentions of the word “seven” for 4 times.

Genesis 29:18, 20, 27, 30 – another set of 7777

¹⁸ And Jacob loved Rachel; and said, I will serve thee **seven** years for Rachel thy younger daughter.

²⁰ And Jacob served **seven** years for Rachel; and they seemed unto him but a few days, for the love he had to her.

²⁷ Fulfil her week, and we will give thee this also for the service which thou shalt serve with me yet **seven** other years.

³⁰ And he went in also unto Rachel, and he loved also Rachel more than Leah, and served with him yet **seven** other years.

Only Genesis 7 and Genesis 29 mention of the word “seven” for 4 times as 7777.
This is connecting 7 and 29 together, echoing to September 29 possible First Call transformation for 7777 is a sabbatical number. September is back to Tishri, whereas Tishri is the Jewish seventh month, matching September 29 as July 29.

The meaning of Rachel means “ewe”, which is a female sheep representing the sheep of Christ; the Bride of Christ. This is also in the context between a husband and a wife as Jacob and Rachel. Genesis 41 mentions of “seven” for 29 times!

Genesis 41 is about the famine in Egypt symbolizing a famine; a shortage of something to the world. Joseph was able to interpret the dreams of Pharaoh, and

coming out of the “dungeon” symbolizes the children of God to be set free from the prison cell; the world of bondage and slavery like Egypt. He was then promoted and highly honored by the king of Egypt for being able to interpret the dreams. The name “Zaphnathpaaneah” means the savior of the world, and revealer of secrets. This is referring to the honoring and exalting of Christ who is the savior of the world. Also, Pharaoh took off his ring from his hand and put it upon Joseph’s hand. The ring is not only representing authority, but symbolizes the Bride and the bridegroom Jesus.

There were 7 years of great plenty and then 7 years of famine in Genesis 41. The 7 years of famine could possibly be referring to the 7 years of tribulation, and especially the *great tribulation* when food will diminish to nothing until the antichrist steps in to create false peace with the implementation of the mark of the beast. The year 2001 when the twin world trade centers collapsed could possibly be the start marker. Exactly 7 years later in 2008 was the greatest market crash in a single day.

Hebrews read backwards, so in regards of 2001 is 1002 resembling 10/02 October 2, 2016. It is a 911 through the second shipwreck of judgments against high places.

Revelation 12 proves Great Tribulation rapture once again in verse 6, which is proving the 3.5 great tribulation at the time of rapture. Revelation 12 is a rapture chapter for the woman who was birthing the wheat brides.

Revelation 12:6

And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

Revelation 12:4-5

⁴ And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

⁵ And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.

September 29-30; the number 30 carries a significance, because 9/30 is a fall quadrant that points to 9 o'clock and 30 minutes' direction as a day of fall. Also, the clock was pointing to 4:11 o'clock to Psalm 23:4 for a reason. The Psalm 23:4 analyses from 2015 pointing to 4:00 is 2016 and 11:00 is Shevat = November. This is

showing 2016 November is the time of Psalm 23:4. Adding the family of 4:00 is $4 + 7 + 10 + 1 = 22$. This is getting the numbers 4, 22 confirming 2016's Passover.

Pointing to 11:00 November direction is Norway on the world map from Israel as the central base. Adding the letters by forward and backward alphabets, the numbers 96 and 66 come up, which the number 66 is the end of the end.

Norway is a special place with Northern lights, where the aurora borealis display in many colors but commonly in green and pink. The color green is decoded as 44. The factors of 44 is $4 \times 11 = 44$. The book of Acts about the Pentecost is book 44. The value 44 from the Hebrew/ Greek bible Gematria means birth and blood.

Northern lights are about LIGHTS coming from the north! Pointing to North is 12:00 = Adar = December proving to obtain Hanukkah boundary into November. The bride will be set free from the darkness and into the glorious light of Christ. The lights were sourced from the sun, and we get the perfect number 7 in November as 7-11.

In Matthew 27:45 says that the 3 hours of darkness started from the 6th hour to the 9th hour from 12pm to 3pm. This is saying December would be the time of darkness, and there will possibly be no more lights like November's northern lights.

Jesus comes as a "thief" in the night according to 1 Thessalonians 5:2, and this is again referencing to the number 8 = Cheshvan/ November = August. Judas was a "thief" according to John 12:4-6, which is stressing the number 8 as being significant. Judas betrayed Jesus for 30 pieces of silver, and the numbers 8 is echoing to 2016's Olympic that first held in 1896, which hosts by a different city

every four years. Counting from 1896 to 2016 would be the Olympic games being held for 31 times. 2016 was holding it in August. Pointing to 11:00 is 23:00 refers to 923, because the Jewish month 9; Kislev would be in November at 23:00 direction.

Psalm 23

23 The Lord is my shepherd; I shall not want.

² He maketh me to lie down in green pastures: he leadeth me beside the still waters.

³ He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

⁴ Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

⁵ Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

⁶ Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

Psalm 23:5 resembles the last supper when Jesus was with His 12 disciples and one of them was His enemy. This is connecting November with Passover, because the last supper according to Luke 22 was the time of unleavened bread/ Passover. Unleavened bread symbolizes a sinless body, for the bread represents the body, which altogether means a glorified body. This is confirming using Passover

boundary in November, along with Hanukkah boundary in November as well. The last “supper” resembles the Marriage “Supper” of the LAMB of Revelation 19!

The words “green pastures” and “still waters” is referring to the worldwide flood judgement, because while the world experiences the raging flood, the saints of God will be with still waters. The green pastures like the Song of Solomon description of spring, which also means a new beginning to the world in November.

The Northern lights are about the sky, and Revelation 8 judgements have to do with a lot of things coming from above upon the earth. There is fire of the altar that cast it INTO the earth, with thundering and lightning. Following hail that cast UPON the earth, with a great star falling from HEAVEN upon the rivers and waters...

John 3:16 – could be seen as 2015-2016 that points to 3:00 & 16:00

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

2019's Rosh Hashanah will be from September 29 to October 1, which is equal to 2016 backward a quadrant, creating another new year pattern representing a new beginning. 2018's Rosh Hashanah will be from September 9-11, interestingly resembles the number 911. This could be saying that from September to November would be a new beginning in the year of 2015 = 2018, equalized with 2016 by 5776.

Revelation 8:1

And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

Half an hour points to 30 minutes' direction at 6:00. This is saying that the 7th seal Rapture is related to 30 minutes/ 6:00 direction. Interestingly, the dictionary defines "going south" as falling in value, deteriorate or fail, while "going west" means to be killed/ lost or meet with disaster. There are never terms such as "going north/ east", which from south to west at 6:00-9:00 is a fall quadrant ironically.

Here is the code 67, referring to the Rapture relating to the number 8 as Revelation 8; Cheshvan/ November. 30 minutes is a division, for it is dividing 12 hours in half making as 6 hours to 6 hours. Cutting the clock in half is the beginning of the end, because according to the half cycle method, there are two Jewish new years; Nissan starting at 12:00 to 6:00 according to the misalignment of months, and Tishri starting at 6:00 to 12:00. Here we see the number 66 again representing the end of the end. This number would be obtained by going through the entire 911 process from September to November as $21:00 + 22:00 + 23:00 = 66$.

A little refinement to the Rapture boundary...

First Call Barley Brides Transformation:

September 29-30, 2016

The 6 Days of Darkness:

September 29-30 to October 5-6, 2016

The Rapture & Great Tribulation:

After November 11, 2016 but before December 1, 2016*

Interestingly, the number 911 comes out a lot of 2 and 9 => 9/29.

- $9 \times 11 = 99$
- $9 + 11 = 20$
- $11 - 9 = 2$
- $9 - 11 = -2$

RECAP: August 22, 2016

Briefly: first barley pregnancy 40 days start marker lands onto September 29-30. It was on the 4th Monday 1111 = 7777 Pentecostal marker 7 = 1 for Tishri new year starts month 1, the two thieves' legs were broken that formed 1111, and Jesus was pierced by His side with the blood and water representing the amniotic sac of the mother's womb. The thieves were against the 8th commandment resembling August.

The number 22 is super significant echoing to May 22, 2016 second Passover. The EVE marker (E = V = 5, 22) representing the day when Jesus had an earth quake when He died, because May 22, 1960 was the greatest earthquake in history located in Chile, Valdivia. August 22 is backward a quadrant to May 22 as equal identity. Passover is a big marker representing the redemption of the bride of Christ on this start day count. The number 22 is echoing to Revelation 22, which is the last chapter of the whole bible; is the end of the end number.

September 23, 2016

Briefly: 7 days of warning. Revelation 12 sign in 9/23/17 = 9/23/16 equalized by 5777

September 29-30, 2016

Briefly: transformation. Both dates are at the SAME time, consider one person is in California 9/29, and another in Australia 9/30

For California time zone for instance:

September 29-October 5, 2016

For Australia time zone for instance:

September 30-October 6, 2016

October 2-3, 2016

Sixth seal + sign of Jonah (Revelation 6:12-17) + start of second wheat pregnancy
40 days (no one knows the day or hour) reason is because November 28, 2013 comet Ison was a conception marker that landed onto Scorpio constellation echoing to Revelation 9's scorpions describing the 6th seal event. The Ison's tail was symbolizing the sperm and the sun that was hit by the comet was the fertilize egg.
Math: 2016 = 2013.

October 5-6, 2016

Start of bride's ministry

October 2, 2016 - November 11, 2016: **After 11/11 would be acceptable timing**

40 days in total on November 11 = 1111 = 7777 Pentecostal marker. Briefly:
September to November = 911 pattern. November the start of Great Tribulation: The brides will escape God's wrath. No one knows the day or the hour of the Rapture.

Deadline would be December 1, 2016, thus must be before this date to maintain 911 pattern. September to November follows September 11 on the Gregorian calendar. It is like when you're 40 weeks pregnant hitting this 40 days' mark, you know by then that *anytime* you will give birth but just do not know exactly when is the day or hour. Not every mother exactly hits at 40 weeks for child birth. However, the average approximate pregnancy duration is 40 weeks. Late term is 42 weeks can be seen as 40 days + 2 weeks, which is reaching to the deadline of December 1, 2016.

Passover boundary April 22-30, 2016 was a guideline for August 22 marker and September 30 land date. Even though November is not using Passover boundary or Hanukkah boundary, it could mirror barley harvest pattern into wheat harvest for both the barley and wheat are identically the bride of Christ.

End of 7 years of tribulation -> 2012-2020

Also, 2015 = 2018 that hits at 70th mark from 1948 means 2015/5776 = completion

Marker VII: 7 Seals, Signs in The Sky & September 23

This research is more focused on what happens before the Rapture/ Great Tribulation, so the 7 trumpets and 7 bowls judgments are not explored.

Revelation 12 sign happens in September 23, 2017 is a marker for the Rapture. This is by no means saying September 23, 2017 Rapture or any year with the date September 23. During that time the sun will be in the Virgo constellation, and the moon will be under her feet also in the Virgo constellation. The 12 stars around her head; the Virgo with 12 stars including Mercury, Mars, Venus and the other stars of Leo. The woman gives birth to a child takes on a 40 pattern. Going back 9 months from September 23, 2017 is the average pregnancy of a mother of a 40 weeks' pregnancy duration. Tracking Jupiter within the "womb" of Virgo the mother, it is walking in retrograde motion around the womb. Jupiter enters into the womb in November, 2016. So this is an approximate duration of a woman's pregnancy.

Notice the conception takes place in 2016 NOVEMBER! Just as back in November, 2013 was the sign of CONCEPTION again from comet Ison! This is once again proving November is the time of the Rapture in 2016. Things go reversed, just as September 23, 2017 is for September 23, 2016 equalized by both years having 5777 as a BIRTH marker, and **JUDGMENT OFTEN COMES IN A 7-DAYS WARNING** landing us onto September 29-30, 2016 first call transformation of barley brides.

Genesis 7 warning was Noah who entered into the ark, and the ark is symbolizing the bodily temple of a person. This is a transformation of a new body because Noah

entered into his new ark for ship supposedly the first time! The ark was above the sea and high hills representing the promotion of the bride being lifted up. There were 3 stories in the ark representing the 3 heavens; the sky, space and heaven. This is representing the bride of Christ will rise up from the ground to sky, to space and then finally arrive in Heaven, which is the soon coming Rapture of the church.

Even though conception is related to November, but the actual wheat conception happens in October 2-3, 2016 according to November 28, 2013 comet Ison sign, once again we see the conception pattern. The wheat pregnancy is from October 2, 2016 to November 11, 2016 as the second set of 40 just as Moses had his 40 days' journey twice in the mountain for the Ten Commandments.

From November 11 onwards until the end of November is the acceptable Rapture boundary. November 28, 2013 = August 28, 2016 is code 828 = crucifixion representing transformation. This is done by backward a quadrant from November to August, and forward with 2013 to 2016 a quadrant. Comet Ison represents disaster, communion, redemption and Hanukkah code 1828! This is signifying November is code 1828: Psalm 18:28 and Euler's number's double 1828.

1	2	3	4	5	6	7
6/23	6/24	6/25	6/26	6/27	6/28	6/29
6/24	6/25	6/26	6/27	6/28	6/29	6/30
9/23	9/24	9/25	9/26	9/27	9/28	9/29
9/24	9/25	9/26	9/27	9/28	9/29	9/30

Note: using September 23 base as June 23-24 second Pentecost of 2015

September 29-30 = July 29-30 through Tishri; the 7th month in September. July echoes to Genesis 7, just as Tishri too. In the book of Genesis, finding 4 times of “seven” was found in Genesis 7 and 29 ONLY! Chapter 41 also is linked to chapter 29 because it consists of “seven” 29 times! This is confirming the significance of September 29, 2016. Adding them in calculation is $41 + 29 + 7 = 77$. The number 77 is also TT (2 T's) forming Pi, because T = 7 in Hebrew's way backwards.

Pi refers to judgment and transformation as explained before, and this is referring to September 29, 2016! Pi is a gate, just as Noah went into the ark through a door, he was separating what was good and bad by leaving the wicked world behind. 7777/TTTT is decoded as 3 gates, so that would possibly be referring to the 3 Paul's Shipwrecks/ judgments including Noah's flood as the first, Sixth Seal as the second, and Great Tribulation as the third, which all of them are in a worldwide scale with the signature from God and very terrible judgments against the wickedness of mankind.

The gate is also an entrance to somewhere, and there is a gatekeeper who chooses if he will allow the enemy into the gate or not, for it is a filter of sorts. With no gate then anything can come and go with no discernment. This is saying that the 3 gates of Noah's flood, Sixth Seal and Great Tribulation each have their own gate to heaven. Noah's flood was a picture for today, and the sixth seal and great tribulation, each event will involve the bride of Christ going into heaven. The first callers will go to heaven for training, according to Exodus 24 and Matthew 27.

Π pause ΠΠ = 3 Gates = 1.23/ 9.23; refers to heaven 2/3 angels stayed.

This creates a 40 pause 40 pause 40 pattern. Noah's Flood the first gate was the 40 days and 40 nights of flood, then August 22, 2016 to September 30 would be 40 days of barley pregnancy that leads to the second gate of Sixth Seal, and finally October 2, 2016 starts the conception of the wheat brides that leads to November 11, 2016 = 7777 the third gate of opening the boundary of Rapture. Deadline would be before December 1, 2016. No one knows the day or the hour of Christ's return is to protect the bride from the enemy's attack. The last gate concludes the last 7. Thus, the Rapture itself ends on 7777, which is a Sabbatical number. $40 + 40 + 40 = 120$. This number was mentioned in Genesis 6 in relation to a worldwide judgment.

There is a BEAUTIFUL countdown pattern from September 29-30, 2016:

Elul 26 in 9/29 is an OVERTURNED version of 6/26, the time in June 26, 2016 when US was given the number 911 warning through the threefold calendars method. God will OVERTURN the sin of homosexuality; their rainbow pride with His judgment, which was related to the convenient of a rainbow. September is a VERY UNIQUE month, because Rosh Hashanah starts in BOTH September and October, making September consists of 5776-5777 LITERALLY with code 67. Even though the whole year of 2016 consists of both 5776 and 5777, but September also stands out.

Rosh Hashanah starts in BOTH September and October, because the leap year of Jewish calendar is possibly not biblical, so removing the leap year is September starting Tishri Rosh Hashanah. Otherwise, with the leap year is October.

September is equal to December, because originally September was in sync with Elul, and December was in sync with Kislev entirely. Since Kislev and September are

the 9th month, they are equalized together. Now, we see the time of Hanukkah from December during September this month.

Applying transformation code 67: (this is just one more way, based on 9/23/16)

- $23 + 6 = 29$
- $23 + 7 = 30$

September 29-30, 2016 is a COUNTDOWN FROM 2015 to 2016 + 2016 to 2017!

Why Hanukkah of 2016 is so important? It is the perfect Hanukkah ever seen! It's a festival with such beautiful pattern from The Lord about the coming transformation. It is **December 31, 2015 to January 1, 2016/ December 31, 2016 to January 1, 2017** as September 29 to September 30. In another words, it is a **New Year's Eve countdown to New Year!** September 29 is New Years Eve of 2015, and September 30 is New Year of 2016! Plus, New Years Eve of 2016 to New Year of 2017!

See the threefold yearly connections:

- $2014 = \underline{2015} = 2016$ equalized by $5775-5776$
- $2015 = \underline{2016} = 2017$ equalized by $5776-5777$

The newest of the new beginning in September 29-30! What is the significance from 2015-2016 and 2016-2017? It is the transition from 2015 to 2016 is code 34/ 67; the code of transformation! Also, a new year is a new beginning to the whole world, which is also 7777 on 1/1/17 as 7/7/77 on the last day of 2016 Hanukkah. Even counting down to 2016 New Year from September 29-30 is 7777 itself, for 2016 =

7777 through Tammuz/ July direction as 4 of 7's. 2016-2017 is interesting, since 2016 itself is a 7777 year, and 2017 on the first day 1/1/17 is also 7777.

New Year's EVE, where EVE is once again confirming the 3 Paul's Shipwrecks possibly starting on September 29. Decoded as 5, 22 thrice, and September 29-30 are both in Av 22's zone by Hanukkah's oil extension method. It is getting the first day oil source that extends onto 8 days, which means the date on the first and second by sunset to sunset are repeated every day until the end of the 8 days of candle lighting. This means September 29-30 obtain quite a lot of different identities.

December 31, 2016 to January 1, 2017 = December 31, 2015 to January 1, 2016. Consider 2016 is overlapped with 5776 and 5777 Jewish years. Each Gregorian year if by misaligned months could see things threefold. So, 2015, 2016 and 2017 are connected together, because 5776 belongs to 2015 as well, and 5777 belongs to 2017 too. This works for other years as well, and not only 2015 and 2016.

Euler's number 1828 is repeated twice, which is representing the barley and wheat harvest are identical. Not only it obtains code 34 core reference from August, but also obtaining the perfect pattern from the barley harvest can mirror to wheat harvest. So even though the wheat harvest date would be possibly different, it is still getting the identity from the barley harvest, because barley and wheat look so alike for they are two different groups of the bride of Christ. Just that one matures earlier than the other, so that the barley could see The Lord in all His glory before the rest of His church. So now it is not that needed to use late boundary for November, but could widen from November 11, 2016 to December 1, 2016 with barley pattern.

October 2, 2016 will be on a Sunday, if the sixth seal comes to pass on this day then it is again the code 67. This is the possible date of the First Call to heaven.

	Oil	1	2	3	4	5	6	7	8	/

X/mas	Dec	25	25	25	25	25	25	25	25	25

Note: using Hanukkah's oil extension method, 9/29-30 has Pi, 9/23 & Christmas

The number 7777 also occurs in Revelation 10 and 21 with 4 times of "seven". It is about the new heaven and a new earth interestingly.

The 7 Seals – 2 Seals left are waiting to be fulfilled:

Revelation 8 is separated to create 911 September to November. Revelation 6 ends with 6th seal and connects with 7th seal must be through Revelation 8, confirming Elul to Cheshvan as September to November 6-7 seals commence; another 67 transformation code applying for 6th seal barley harvest and 7th seal wheat harvest.

1. Revelation 6 Elul/ September: First Call transformation
2. Revelation 7 Tishri/ October *pause*
3. Revelation 8 Cheshvan/ November: Rapture

Another code 67 was the 2014-2015 blood moon, because Israel was 66 years old in 2014 and 67 years old in 2015, making 66-67 transformation pattern. Revelation 18 is about the fall of New York City. 18:00 is pointing to September direction. Also, code 67 is found in the Sabbath commandment of Exodus 20:11, once again the number 11 echoes to November! The number 6 and 7 was mentioned together!

Exodus 20:11 – only this verse out of 4 verses about Sabbath is code 67

For in **six days** the Lord made heaven and earth, the sea, and all that in them is, and rested the **seventh day**: wherefore the Lord blessed the sabbath day, and hallowed it.

Exodus 20:9

Six days shalt thou **labour**, and do all thy work:

Marcheshvan resembles March as a “bitter” month. Cheshvan/ November as the possible time of Great Tribulation is definitely going to be bitter and sorrowful for those who will be left behind. Av was the time of the destruction of Israel’s two temples, and Av 22 in the same month is related to the judgments of Israel. There are *no special occasions* in this month of Cheshvan, which when people ignore it the most as *it is without much festivals*, it is the least expected when the tribulation could occur. Jesus comes as a THIEF! It is when people are least expected.

Cheshvan was the time of the FLOOD. November/ Cheshvan is the possible month of Great Tribulation. Jacob’s wife Rachel of Genesis 29, 7777, died on Cheshvan 11 November 11! Methuselah’s death was in Cheshvan 11; November 11! Methuselah

was the longest lived person in the earth at age 969 representing eternal life. Enoch begat methuselah. Methuselah means his death shall bring judgment. Even counting from January 1, 2016 forward 316 days is November 11, 2016 as John 3:16.

Teshuvah's 40 days of repentance start from Elul 1/ September 4. September 29-30 Yom Kippur by September 29-30, 2017 mirrored reference are WITHIN Teshuvah. 10 days of awe: 10 days of repentance from Rosh Hashanah to Yom Kippur. Yom Kippur day of atonement is a reconciliation with God. August = September by first new moon delay. Even Acts 27 says AUGUSTUS = August. September 23 Yom Kippur by Enoch's calendar is in 2016. 10 days before August 23 is August 13-14, which was Av 9-10, the woeful day of Israel, connecting Israel's 911 to Yom Kippur.

The day of transformation is possibly *not* going to be covered with special holidays literally, making it so obvious but works with combining multiple festivals from multiple references from different events, years...etc. for a more enriched meaning than just purely Yom Kippur or purely Pentecost, but having everything combined.

Revelation 6 Connects with Matthew 24 as a clue-giver:

5 seals are fulfilled as of now, and we are now waiting for the 6th seal global quake and 7th seal rapture. The 6th seal is linked to the first call transformation. The 4 beasts separate the first 4 seals and 5-7 seals. 5-7th seals could be referring to the 7 years of tribulation 2012-2020, and 1-4th seals referring to events prior to the 7 years of tribulation; before 2012. Also, red, white and black is the Egypt flag = world. Also, the 6th and 7th seals are standing out; the 2 seals left are to be fulfilled TOGETHER. This gives another code 67, which connects from September to November.

Seal Number	Scriptures	Description	Fulfillment
First Seal	Revelation 6:1-2, Matthew 24:3-5	White horse with a crown, bow who went forth conquering and to conquer. Matthew says MANY will come in His name pretending to be Christ deceiving many people.	Yes. Jesus doesn't come with a bow according to Revelation 19:11-16. There are <i>many</i> false Christs today, antichrists who say they are Christ and have deceived many. People in the 21 st century such as Apollo Quiboloy, Alan John Miller, David Shavler...etc.
Second Seal	Revelation 6:3-4, Matthew 24:6	Killing one another with a great sword, who "sat" thereon to take peace from the <i>earth</i> . Hearing rumors of wars and of WARS.	Yes. The Egypt flag colors of red, white and black represents the world. World War I happened in 1914-1918. World War II happened in 1939-1945, and all of them are in the 1900's, which is pretty

			<p>recent. They are the WORLD WARS.</p> <p>There is rumor of World War III coming.</p>
Third Seal	<p>Revelation 6:5-6, Matthew 24:7-8.</p>	<p>A measure of wheat for a penny and three measures of barley for a penny. Do not hurt the oil and the wine. Nations shall rise against nations and kingdom against kingdoms. There shall be famines, pestilences, earthquakes in divers places.</p>	<p>Yes. These are the signs of tribulation that are already occurring. There are already many earthquakes, famine, pestilences happening around the globe, and continuously skyrocketing especially in the last several years in the news. The end times is here, many signs such as blood rivers, sinkholes, landslides, floods, signs in the skies, pestilences such as Ebola, AIDS</p>

Some of those of the less fortunate in this society today work all day so they can only buy barley at the cost of wheat! This is false balances and inflation of prices!</p>
Fourth Seal	Revelation 6:7-8, Matthew 24:9	<p>Killed by sword, hunger, death and beasts. They will deliver you to be afflicted, kill you and be hated of all nations for my name's sake. Fourth part of the earth are</p>	<p>Yes. The Jews are God's people and they were hated for being Jews. The Holocaust was the genocide of 6 million Jews, along with 1.5 million of children. There were an</p>

Subtracting 1.5 million of children is 4.5 million, exactly $\frac{1}{4}$ of population were killed. $\frac{1}{4}$ killed of the earth, since Holocaust was within the <i>WORLD WAR II</i> . The Jews were under “starvation” in extermination camps. The etymology of Holocaust refers to an “animal” sacrifice offered to a god in which the whole animal is completely burnt. The sword could be a “tool” that destroys, and the massacre of the Jews was mainly by <i>fire</i> as their “tool”.
--	--	-------------------------	--

			Just as Ezekiel 21 mentioning of “sword” was actually referring to the 911 attack’s planes that crashed into the towers. Death and hell; hell <i>fire</i> .
Fifth Seal	Revelation 6:9-11, Matthew 24:10-13	Saints under the altar crying out as they are slain for the testimony of Jesus. Many shall be offended, betray one another, hate one another, false prophets shall rise, and deceive many. Iniquity shall abound, and the love of many shall wax cold.	Yes. ISIS killing/ beheading countless of Christians worldwide, especially these last several years. These are the signs of the 3.5 years of tribulation of 2012-2016. There are already many false prophets, teachers, pastors that have risen up these last days deceiving many Christians and people. Many churches are

			lukewarm nowadays and preach the gospel of prosperity.
Sixth Seal	Revelation 6:12-17, Matthew 24:14, 29	Gospel will be preached to all nations, then the end shall come. The sun shall turn into darkness and moon shall not give her light. The stars shall fall from heaven and the powers of the heavens shall be shaken.	No. The 3 days of worldwide darkness and global quake that will move every island and mountain, and will involve the first call transformation. Jesus had earth quake before 3 days of darkness, and was glorified before 40 days of harvest. Jesus will be visiting every person upon the face of the earth with the gospel of salvation in the 3 days of worldwide darkness, and give life reviews that will

			convict the heart of many to repent and turn away from their sins, and have their chance of repentance.
Seventh Seal	Revelation 8:1, Matthew 24:20-21, 30-31 until verse 51 end of chapter	Half an hour silence. The seven angels were given seven TRUMPETS. There shall spear the Son of man in heaven coming in the CLOUDS of heaven with power and great glory. He shall send His angels with a great sound of a TRUMPET and shall gather His ELECT from the four winds from one end of heaven to the other.	No. This is the Rapture of the church and the 3.5 years of great tribulation simultaneously following the 40 days' harvest of Jesus' ascension pattern of 2016-2020. Woe to them with child are those pregnant mothers with unborn child, where the child will be taken away at the time of Rapture in verse 19.
